NWT REGIONAL ACCESS COMMITTEE

JOIN US

We promote union actions on issues affecting racially visible members by:

- educating, politicizing and mobilizing racially visible members by making links between themselves, the union, the workplace and the community.
- Empowering, uniting and engaging racially visible members to take action and move the Human Rights Agenda forward
- Encouraging networking and open communication among racially visible members, the PSAC National Human Rights Committee and other PSAC National/Regional bodies.

Educate

STAY CONNECTED TO THE ISSUES ... AND THE SOLUTIONS

We participate in conferences, education and training programs on issues that affect racially visible members.

We are relied upon for representation of racially visible members, their issues and equality goals in the various union bodies, programs and social justice groups.

We sit on the National Human Rights Committee and other PSAC National and Regional bodies ... and much more.

Mobilize

LEARN AND TAKE ACTION

Some of our work is focused on reviewing, discussing and making recommendations on issues, policies, strategies and initiatives that affect racially visible members.

We also keep our eye on legislation, provisions or practices that are discriminatory and recommend union policies, programs or actions that will end and redress the discrimination and racism.

Join our committee and pursue your area of interest. There is room for everyone who wants to make a difference. We welcome your contribution!
