

Northwest Territories Area Council Annual General Meeting

PSAC Area Councils are made up of members from different locals and components, grouped within regional areas. Area Councils are the political arm of our Union – they engage with and mobilize around various PSAC campaigns. Members also come together to lobby their political representatives, raise awareness of issues affecting our members, workers and the Canadian public. Area Council members also work with community partners, build links with other Labour groups and send members and resolutions to PSAC Regional and National Conventions.

Participation in the Area Council is open to all members of the Public Service Alliance. Join us on November 14, 2018 for elections and refreshments. Please use the following conference call coordinates if you are unable to join in person:
