

Yukon Indigenous Peoples' Committee Invites ALL PSAC members to Beginner's Beading – Beaded Poppy Workshop

<https://www.veterans.gc.ca/eng/remembrance/history/historical-sheets/aboriginal-veterans>

“The First Nations, Métis and Inuit people of Canada have a long and proud tradition of military service to our country. While exact statistics are difficult to determine, the rate of Indigenous participation in Canada’s military efforts over the years has been impressive. These determined volunteers were often forced to overcome many challenges to serve in uniform, from learning a new language and adapting to cultural differences, to having to travel great distances from their remote communities just to enlist.”

National Indigenous Veterans Day is observed November 8th, each year.
