

## **Bargaining Update**

**To PSAC / UNW / Local 3050 Members**

**Working at Dominion Diamond Ekati Corporation**

**June 15, 2016** – As you all know, information meetings and ratification vote of the Employer's offer of settlement were held at the Ekati mine site on May 16<sup>th</sup>, 17<sup>th</sup> and 18<sup>th</sup> and again on May 30<sup>th</sup> and 31<sup>st</sup>. We would first of all like to thank all of you for the high turn out to these meetings and for casting your vote.

**The ballots were counted last night and the result of the vote was an overwhelming rejection of the Employer's offer by a large majority of the bargaining unit.**

This result expresses very loudly the wishes of you the bargaining unit members that Dominion Diamond Ekati Corporation return to the bargaining table and negotiate a fair and reasonable agreement with your PSAC/UNW Bargaining Team.

We are hopeful that the Employer will realize the benefits of returning to the table to reach an agreement through open, honest, good faith bargaining.

Your solidarity and support of your Bargaining Team is greatly appreciated.
