

**Political
action is the
centre of our
work**

**Our members work
with community
partners, build links
with other Labour
groups and send
members to PSAC
Regional and
National
Conventions.**

**PSAC North
Northwest Territories
Area Council**

Your Area Council:

- **Attends PSAC Regional and National Conventions with full voice and vote**
- **Submits resolutions to PSAC Regional and National Conventions**
- **Raises the profile of the union in the community**

- Coordinates and promotes campaigns and petitions

- Acts as a channel for your representative on the Regional Council

- Encourages and recruits PSAC North members in the NWT to attend training

We'll ensure that your voice is heard on issues that affect you and your communities the most.

Our work revolves around solidarity and social justice.

We help build and maintain a network of PSAC activists in the Northwest Territories to be involved in political action, workers' solidarity, and coalitions with other social justice advocacy groups in the community.
