Share your concerns and develop your knowledge on health and safety issues. Raise awareness in your workplace and community.

Take action and add your voice to the events and initiatives organized by the Regional Health and Safety Committee.

Public Service Alliance of Canada North

Nunavut Regional Health and Safety Committee

OUR MANDATE

The objectives of the PSAC North Nunavut Regional Health and Safety Committee is to identify, promote and assist union actions around workplace health and safety by:

- Educating, politicizing and mobilizing health and safety union activists
- Raising awareness and bringing attention to health and safety issues in our communities, homes and workplaces
- Empowering, uniting and engaging all PSAC union members to take action for health and safety

Stay connected . . . to the issues and the solutions

We participate in:

- Conferences
- Educational sessions
- Training programs

We ensure and promote representation of members and their health and safety concerns within the various union bodies.

We encourage networking and open communication among health and safety activists at the Regional and National levels of PSAC.

JOIN US!

Deaths, injuries, illnesses, industrial diseases and chronic conditions take a toll on workers, colleagues, friends and family members.

We focus on:

- Ensuring the maintenance of high safety standards
- Prevention of injury and disability
- The recognition of mental and physical health

National Day of Mourning

- We remember those who died, were injured or made ill from their work
- We commit to protecting workers and preventing further workplace tragedies
