

# Northwest Territories Youth Committee Annual General Meeting

The PSAC NWT Youth Committee is a forum for members to come together and raise awareness on a series of issues that young workers face today. Members will meet to organize events that highlight the impact of youth employment and make recommendations on policies, strategies, and initiatives. The PSAC Constitution allows for the organization and operation of Committees in each Region to encourage members to participate in their Union.

Participation in the Youth Committee is open to all members of the Public Service Alliance under the age of 35 (inclusive). Join us on November 29, 2018 for elections and refreshments! Please use the following conference call coordinates if you are unable to join in person:
